

SIROMER Equipment

Your Tractor's Best Friend

Siromer Post Hole Borer

Available with 6, 9 & 12 inch augers.

Twin flights & replaceable tips.

Shear bolt protected PTO shaft.

Three point linkage mounted CAT I.

Create fences with ease to keep wanted things in and unwanted things out

Ideally suited for fence building and tree planting around any type of property.

Easy to use. The auger drills into ground as the 3pl is lowered and pulled out of ground as the 3pl is raised.
